

## Business Services team

**Halsbury** Legal Awards 2015  
Winner

*“A well-run, powerful organisation with an excellent reputation”*

Client, Chambers UK 2016

**Brachers is an award winning law firm, providing valuable legal support to businesses and private individuals.**

The Business Services team provides legal support to help businesses face their future with confidence: whether it's advice on potential contractual risks, contingency planning, staffing, credit control or legal support on strategic projects, we are proud to work alongside businesses and individuals to achieve the right result. These legal services are enhanced by our associated HR consultancy, Kent HR.

Our client base includes owner managed businesses, publicly funded and healthcare organisations, schools and colleges, charities, family businesses and multi-national corporations, as well as private individuals and their families.
